

Elite MGA – Introduction Letter

Elite MGA is an insurance office that specializes in niche market programs, in the broadest sense of the word. We design and tailor insurance products and markets to best service and help our clients grow nationally. Elite MGA is able to write insurance for all 50 states and is currently looking at expanding into Canada in the near future to meet the consumer's needs in all aspects of insurance products. As more and more clients and prospect gain an interest in Elite MGA's products, the demand for more specific and specialized products has also increased. To meet the expected demand for insurance, as well as new additional cross marketed lines of insurance and new innovative products that help enhance our existing insurance products Elite MGA is always looking at new concepts and ideas to better service our clients and offer prospective clients a new place to trust with their insurance.

Elite MGA's largest focused business is the Home Inspection Market. Some of Elite MGA's relationships include a number of associations including but not limited to: NACHI, ASHI, NAHI, TAREI and more. Elite MGA has the unparalleled advantage in a mature and experienced management team that has direct knowledge of the industry, extensive research and experience as well as professional administration skills that make Elite MGA a top competitor in the field of insurance.

Please look for more solutions to insurance needs will be met by Elite MGA and their team of professionals in the near future. Also, please feel free to contact us via the website at www.eiipro.com
